The safety of our students is an on-going concern and our district makes every effort to comply with all state and federal regulations regarding this issue.

It is the policy of the Piedmont Board of Education that a parent who is awarded legal custody of a child by court action shall file a copy of the court decree awarding such custody with the school. If the custodial parent does not wish the child to be released to the noncustodial parent, an appropriate written instruction should also be filed with the school. Absent a court decree to the contrary, both natural parents have the right to view the student's school records; to receive school progress reports; to visit the child briefly at school; and to participate in parent and teacher conferences (not necessarily together in the same conference).
